

HITACHI

The following items are prohibited on the GEH Sites and may be considered contraband:

- **Tobacco, E-Cigarettes, or Vaping products:** The use of any tobacco or vaping products, E-Cigarettes, or similar products on GE property is prohibited.
- **Alcohol beverages:** (Beer, Wine, Etc.) Open containers of alcoholic beverages are not permitted to be stored in the security office. Factory sealed (unopened) containers may be stored at the entry gate security offices (Wilmington) or outside of the site entry gates (all Sites) in a vehicle. Empty containers can be in vehicles if the occupants show no signs of consumption, being under the influence, or impairment. **For this purpose, alcohol is any beverage containing at least .5% alcohol by volume.**
- **Cameras:** The use of any camera including cell phone cameras is prohibited without prior authorization. Dash cameras are permitted but must remain in the vehicle. Webcams may be used as long as the user ensures no sensitive or export-controlled information is in view of the camera.
- **Illegal drugs and any item containing the primary intoxicant in marijuana (THC) including but not limited to CBD oils**
- **Weapons**
- **Ammunition**
- **Explosives**
- **Pornography (Both Physical and Digital)**
- **Pets**
- **Children under 18 years of age**

All vehicles, persons, and articles are subject to search. If you have any of the listed items, you must declare them at this time. To declare an item, please fill out the bottom of this form and provide it to the Officer.

Items collected are done so at the owner/custodian's own risk. Open containers of alcoholic beverages, illegal items, children/minors, pets, and any other item denied at the Officer's discretion due to safety or security concerns may not be collected/left in the Security Office causing your access to be delayed or denied.
